

**AMEC Graduate Student Funding Request Form
for Travel to National or International Meetings**

Student Name _____

Each year the department solicits applications from graduate students for funding to attend a national or international meeting. Ordinarily support will not exceed \$300 per year per student and will only be extended to a small number of students. You are therefore strongly encouraged also to apply for support from other sources, such as the MSU GSA. Please note that this form must be turned in to the department head by noon on August 26th for your request to be considered. No exceptions will be made for late requests.

Each department is allowed to nominate two graduate students for travel funding from the College of Arts and Sciences and the Graduate School (TAGGS) each cycle. Please indicate below if you wish to be considered for either or both.
