IN ORDER TO ASSESS APPLICANTS AND TO MATCH THEM WITH APPROPRIATE ASSIGNMENTS, PLEASE PROVIDE THE FOLLOWING INFORMATION

1. Describe any anthropology field or lab work experience or training you have; include courses taken and the grades earned in them.
2. Describe any statistical analysis or computer skills or training you have; include any computer or statistics courses taken and the grades earned.

3. Describe any relevant technical or scientific (GPS, remote sensing, cartography, environmental sampling, etc.) experience or training you have had that is not described above.
4. Describe any relevant teaching experience or training you have; include relevant courses taken and the grades received.
5. Describe any relevant writing skills, experience, or training you have; include relevant courses taken and grades received. **Please submit with this application one sample of your written work which you consider to be a good example of your writing skills.** This may be a technical report or class paper.

6. Because not every applicant for funding will have had the same experiences or training opportunities, please describe any other skills, experience, training, or personal characteristics you feel make you a good candidate for a graduate assistantship.
